Directions from Ft. Pierre: Go west on highway 14/34 about 25 miles. On hill past cell phone tower you turn south on 263 (green sign). You will come to 3 sharp curves (nowhere else to go, but they are sharp). After last sharp turn, go 2 miles and you will come to a T in the road. Turn left or south, and bins are at top of hill with big shop behind them.

Directions from Four Corners Junction: Go 14 miles from junction towards Pierre. Turn right/south on 263 (green sign). There is a cell tower on next hill after our turnoff. You will come to 3 sharp curves (nowhere else to go, but they are sharp). After last sharp turn, go 2 miles and you will come to a T in the road. Turn left or south and bins are at top of hill with big shop behind them.
